

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

## Accreditation partner

## Attendee information

### Dear Attendee,

Welcome to [Global Health](#) – Invest in Health. We have a full agenda, so please take a few minutes to read through the information in this booklet. It includes the programme and important information on how to claim your CME credit.

### Access to Live in person conferences

The organisers sent the **digital badge** via [noreply@gesevent.com](mailto:noreply@gesevent.com) to the email address of registered delegates. The digital badge will need to be saved on your mobile to enter the venue. Please contact [globalhealthcs@informa.com](mailto:globalhealthcs@informa.com) if you have not received the log-in details.

### Session Scanning

CME accreditation: Please ensure your badge is scanned each time you enter and leave the conference rooms.

### Speaker Refreshments

Speakers are welcome to have their coffee breaks and lunch at the VIP Lounge and Speaker Lounge located at Hall 3 Entrance/Exit.

### Mobile Phones

Please turn your mobile phones to silent/vibrate mode during the conference to not disturb the session. Your cooperation is greatly appreciated.

### Parking and Other Transport

For more information on how to get to Riyadh Front Exhibition & Conference center (RFECC), please click [here](#).

### Fire and Emergency

#### Fire Incident

During a Fire Incident, upon hearing the alarm/siren, remember to:

- Stay calm and follow the security guidance
- Use directed escape route
- Do not stop collecting personal belongings
- Remain at assembly point until further notice
- Report missing persons
- Do NOT re-enter the venue

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

## Medical Emergency

If there is a medical incident, remember to:

- Isolate immediate area where the victim is situated
- Call for medical assistance
- Administer First Aid

## Emergency Contact Numbers

List of important numbers to call during an emergency

- Emergency: 112
- Police: 999 / 911
- Traffic Police: 993
- Ambulance: 997
- Fire: 998

## Conference Schedule and Locations

Location	Room Name	Room Capacity	29-Oct	30-Oct	31-Oct
Booth: H4.F50	Riyadh Room	800	Leaders in Healthcare Summit	Leaders in Healthcare Summit	Quality in Healthcare <b>(8 CME)</b>
Booth: CONF 1	Jeddah Room	530	Nursing Conference <b>(6 CME)</b>	Future of Clinical Laboratory <b>(5 CME)</b>	Future of Preventive Health <b>(6 CME)</b>
Booth: CONF 2	Dammam Room	530	Future of Radiology <b>(8 CME)</b>	Joint Commission International (JCI)	Healthcare Finance and RCM

## Exhibition

Please take time to visit the exhibition.

Sunday 29 October 09:00 – 18:00

Monday 30 October 09:00 – 18:00

Tuesday 31 October 10:00 – 17:00

## Future of Clinical laboratory Conference

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

30<sup>th</sup> October 2023

*Theme: Diagnostic Innovations: Shaping the Future of Clinical Laboratories*

## Overview

A comprehensive programme that provides valuable insights on the latest breakthroughs in diagnostic technologies, exploring their immense potential to reshape the future of clinical laboratories.

## Key topics

- Point of Care testing
- Public Health / Infectious Diseases
- Lab Management and Quality

## Benefits of attending

- Review the accuracy of point-of-care testing usage to enable earlier intervention and improved patient outcomes.
- Determine diagnostic innovations in effectively combating infectious diseases and safeguarding public health.
- Evaluate lab management and quality - strategies for operational excellence and regulatory compliance.

## Who Should Attend?

- Pathologists
- Clinical Chemists
- Clinical Microbiologists
- Medical technologists
- Lab technicians
- Heads of Labs
- Lab Managers

## Evaluation

Informa Markets, the organisers of Global Health 2023, are always striving to produce high quality and up to date medical conferences. We therefore appreciate all comments and feedback from our delegates, and we always ensure that we refer to them when producing the next year's programmes.

## How to Obtain your CME Certificate

The Global Health Exhibition team would like to thank you for attending the live in-person conferences.

[Future of Clinical Lab](#) conference has been awarded 5 CME hours.

**Important Reminders:**

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

The SCFHS is a Saudi Arabian scientific commission that regulates health-care related practices and accreditation at all levels in Saudi Arabia.

The number of CPD/CME credits that you can earn is based on the duration of your attendance in each session. Credits are calculated as 1 hour of learning is equivalent to 1 CME credit.

To be eligible to claim credits, a minimum of 70% attendance is required.

## CME credit claiming guideline for Saudi residents

- Please ensure that during registration you have submitted the required correct information including your SCFHS ID number
  - First Name
  - Last Name
  - Job title
  - Company
  - Email ID
  - Mobile number
  - Country
  - SCFHS ID Number
- If any of the submitted information are incorrect, you will not be eligible to receive the CME credits.
- If you would like to amend your registration information, please scan the QR code displayed onsite to access the form to use. You can also approach our badge assistance desk, or you may send an email to [globalhealthcs@informa.com](mailto:globalhealthcs@informa.com) before the 31st of October 2023, 6PM (AST).  
**Reminder:** The organiser cannot accept further amendment requests after the 31st of October 2023, 6PM (AST). It is the attendee's responsibility to ensure these are submitted on time. The CME credits will reflect on the Mumaris accounts of KSA participants after **5 working days**, and only after review and approval by the Saudi Council.
- Please login on your SCFHS account to verify that the credits have been allocated.
- Should you have any queries, please contact [LSRegistrationsteam@informa.com](mailto:LSRegistrationsteam@informa.com) or submit your query thru SCFHS customer care [link](#).

## CME credit claiming guideline for non-Saudi residents

- The organizers will issue a CME certificate with the number of CME credits eligible to each attendee by the 9th November 2023.
- Certificates will be emailed from [LSRegistrationsTeam@informa.com](mailto:LSRegistrationsTeam@informa.com).
- The attendee can use the certificate to submit to their local bodies for cross recognition.

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

- It is important to note that the Saudi Council for Health Specialties does not have a formal agreement in place with other countries in terms of mutual recognition of CME credits. This would depend on the respective countries.
- You may contact our registration team via [LSRegistrationsteam@informa.com](mailto:LSRegistrationsteam@informa.com) if you fail to receive your CME certificate 20 working days after the last day of event.

## Agenda

### Monday 30 October 2023

#### 10:45 Opening Remarks

**Dr Abdullah AlJurayyan**, Executive General Director, Laboratory Operation Center – Health Support Services, Ministry of Health, Riyadh, KSA

### SESSION 1: POINT OF CARE TESTING

#### Moderator:

**Dr Raef R Albugami**, Deputy Executive General Director, Laboratory Operation Centre Health Support Services, Ministry of Health, Riyadh, KSA

#### 11:00 Point of Care Testing and Digital Health

**Dr. Laila Abdul Wareth**, CEO, National Reference Laboratory, Abu Dhabi, UAE

#### 11:45 High Sensitive Troponin at the Point of Care - The Wait & Watch Game

**Dr. Malak Al-Mashali**, Consultant, Clinical Scientist, Head of Point of Care Testing Lab, Prince Sultan Military Medical City, Riyadh, KSA

#### 12:15 The Impact of Quality on Bedside Testing

**Jaham Shada Said**, Point of Care Testing Manager, Hamad Medical Corporation, Doha, Qatar

#### 12:45 Q&A with session speakers

---

#### 13:00 Lunch break | Exhibition visit

---

### SESSION 2: LABORATORIES AND EMERGING INFECTIOUS DISEASES

#### Moderator:

**Dr. Abdulwahab Zaid Binjomah**, Consultant of molecular microbiology, Director of Riyadh Regional Laboratory, Riyadh, KSA

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

- 14:00 Genomic Diagnostics and Surveillance of SARS-CoV-2 and Other Pathogens**  
**Prof Alistair Darby**, Co-Director for the Centre of Genomic Research, Infection Biology and Microbiomes, University of Liverpool, Manchester, UK
- 14:45 Emerging and Reemerging Pathogens: Discovery, Detection, and Prevention of the Next Pandemic**  
**Dr Abdullah Algaissi**, Assistant Professor Virology, Head of Emerging and Endemic Infectious Research Unit, Medical Research Center, Jazan University, Jazan, KSA
- 15:15 A Clinical Practice Algorithm for ARI: The Bahrain Experience**  
**Prof. Manaf Alqahtani**, Chief of Diagnostics Department, Royal Medical Services, Bahrain Defence Force and Founding Head of Microbiology, Royal College of Surgeons in Ireland Medical University of Bahrain, Riffa, Bahrain
- 16:00 Q&A with session speakers**

## SESSION 3: LAB MANAGEMENT AND QUALITY

### Moderator:

**Dr. Malak Al-Mashali**, Consultant, Clinical Scientist, Head of Point of Care Testing Lab, Prince Sultan Military Medical City, Riyadh, KSA

- 16:15 Excellence in Laboratory Management**  
**Dr. Saleh Mohammed Alghamdi**, Health Strategy , Quality and Clinical Research Consultant, King Fahad Medical City, Riyadh Second Health Cluster, Riyadh, KSA
- 16:45 Think Big, Start Small: Model for Improvement**  
**Dr. Ali Omar Aljohi**, Regulatory Arm Leader – Health Support Services Centre, Ministry of Health, Riyadh, KSA
- 17:15 Q&A with session speakers and closing remarks**

---

**17:45 End of conference**

---

### Scientific Committee

# Future of Clinical Lab Conference

30 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

## Conference Chair:

- **Dr Abdullah AlJurayyan**, Executive General Director, Laboratory Operation Center – Health Support Services, Ministry of Health, Riyadh, KSA

## Speaker Faculty:

- **Dr Abdullah Algaissi**, Assistant Professor Virology, Head of Emerging and Endemic Infectious Research Unit, Medical Research Center, Jazan University, Jazan, KSA
- **Dr Abdullah AlJurayyan**, Executive General Director, Laboratory Operation Center – Health Support Services, Ministry of Health, Riyadh, KSA
- **Dr Abdulwahab Zaid Binjomah**, Consultant of Molecular Microbiology, Director of Riyadh Regional Laboratory, Riyadh, KSA
- **Dr Ali Omar Aljohi**, Regulatory Arm Leader – Health Support Services Centre, Ministry of Health, Riyadh, KSA
- **Prof Alistair Darby**, Co-Director for the Centre of Genomic Research, Infection Biology and Microbiomes, University of Liverpool, Manchester, UK
- **Jaham Shada Said**, Point of Care Testing Manager, Hamad Medical Corporation, Doha, Qatar
- **Dr Laila Abdul Wareth**, CEO, National Reference Laboratory, Abu Dhabi, UAE
