PROFESSIONAL GROWTH

What Are CME Credits?

Accredited Recognition

CME Credits are awarded to healthcare practitioners who participate in accredited educational activities. These programmes help you maintain, develop and advance essential clinical knowledge.

By attending recognised events like Global Health Exhibition, you earn valuable credits while staying current with best practices, surgical innovations, and elevated patient care standards.

REGULATORY FRAMEWORK

Accreditation & Attendance Rules

Accreditation Standards

SCFHS Regulated

The Saudi Commission for Health Specialties (SCFHS) regulates healthcare practice, certification, and accreditation across all levels in Saudi Arabia.

1 Hour = 1 Credit

Credits are strictly calculated based on session duration. Each full hour of verified educational learning is equivalent to 1 CME credit point.

75% Attendance Rule

To be eligible to claim accredited credits, a minimum attendance rate of 75% in each individual conference session is mandatory.

Guidelines for Saudi Residents

Registration Protocols

Please ensure that during registration you have submitted correct information. If any information is incorrect, you will **not be eligible** to receive CME credits.

Mandatory Submitted Details:

- First Name & Last Name
- Job Title & Company
- Email ID & Mobile Number
- Country & Saudi Council ID Number

Double-check your Saudi Council ID to ensure seamless matching with your official Mumaris practitioner profile.

DEADLINES & UPDATES

Registration Amendments

Correction Protocol

If you need to amend your registration details, scan the QR code displayed onsite or visit our badge assistance desk. You may also email GHECustomerService@Tahaluf.com before **30 October 2026, 6:00 PM (AST)**.

Strict Cut-off Notice: The organiser cannot accept further amendment requests after **30 October 2026, 6:00 PM (AST)**. It is the attendee's responsibility to ensure details are submitted on time.
